WHAT IS GED17?

Spearheaded by the Global Association of the Exhibition Industry (UFI), GED17 held on 7 June, is a chance to celebrate the exhibition industry and highlight its positive impact on jobs, business, innovation and local investment.

The Association of African Exhibition Organisers (AAXO) and our members will celebrate with the rest of the world and we have lots in store. In fact, we are going full-throttle and celebrating over 2 days!

WHAT'S ON?

* Meet up with AAXO at Stand E49 at MADEX or at one of our training events or our Associate Membership launch.

* Prizes to be won, including concert tickets, free training and a free stand at the Exhibition of Exhibitions in 2018. Book your tickets now!

* Together, AAXO and SAACI will be surprising some of the exhibitors between 11:00 and 14:00 on the 7th with a light lunch, showing their commitment to "Serve the Industry".

* We launch our first ever Associate Membership on 8 June for all Exhibition Suppliers and Venues to become "AAXO Approved". Signing up on the day will bring extra benefits.

For further information, to book your seat for training or to attend the Associate Membership Launch, contact wesley@aaxo.co.za or Call: (011) 549 8300 by 31 May 2017
